Education

Uttarakhand Technical University (2022–2026)

B-Tech (Computer Science) – 7.6 CGPA, Roorkee, Uttarakhand

Aditya Birla Intermediate College, Roorkee

12th – 2022

10th – 2020

Projects

1. Property Rental & Booking Platform | React, CSS, JavaScript

- Developed a property rental and booking web platform allowing users to browse, book, and manage rental properties.
- Focused on clean UI/UX design with responsive layouts and efficient data handling.

2. Budget Tracker App | JavaScript using DOM , HTML and CSS

- Created a simple and effective budget tracker to record and visualize income and expenses.
- Implemented local storage for data persistence and added an intuitive interface for smooth user interaction.

3. Blog App | React + Vite

- Built a dynamic blog web app using React and Vite to post, edit, and delete blogs efficiently.
- Implemented component-based architecture ensuring fast rendering and modularity.

Achievements

- Built multiple real-world web apps demonstrating strong frontend development and UI/UX skills.

Certifications

1. Python for Data Science – IBM
2. Style Image with CSS – Coursera
3. Introduction to Relational Database – Coursera
